Parlor 126: *We strive to create everything we can in house, and use Colorado product while doing so. We support purveyors who are sustainable, GMO free, organic and have passion about what they produce.*

Summit Creek: Their lamb is all natural, raised in Colorado & the Rocky Mountains, with no growth stimulants or added hormones. The pure genetics and controlled feeding regimen give the meat a tender texture and mild, rich flavor.

Red Bird: A Denver based poultry company whom raises their Plymouth Rock chickens cage-free, using all natural vegetarian feed that is antibiotic free.

Denver, CO

LaVenture Farms: Organically grown, GMO free and fertilizer free vegetables.

Gypsum, CO

Skuna Bay Salmon: Ocean hatchery, family owned, sustainable.
